PARENT / TEACHER INTERVIEWS – BOOK NOW

Dear Parents/Carers,

We hope by now that your child has settled into the new year. It was our pleasure hosting a meet the teacher evening and welcome barbeque recently. To continue our deliberate attempts to establish positive partnerships between home and school, we are now offering all parents the chance to meet their child's home class teacher and discuss his/her learning needs.

Interviews will be held in the weeks of 17 February and 24 February and can be booked online. Please see the instructions below about how to book a time. Interviews will be for 15 minutes only so please be punctual. It is hoped that every student will have a parent attend an interview.

The purpose of these interviews is for the parent to talk to the teacher, letting the teacher know about their child's strengths and areas for development, interests and to discuss any learning adjustments required. This is not a progress interview. Teachers are still getting to know their students and only have limited information about each student's achievement so far.

While the teachers have tried to provide a range of suitable meeting times, those made available by your child's teacher might not be suitable for you. If this is the case, please contact your child's teacher to arrange another time. Contact can be made through the school email address (northkellyville-p.school@det.nsw.edu.au), marked to the attention of your child's teacher.

Please go online and book now as some teachers only have availability next week.

Sincerely,

Tom Moth
Principal
