

NORTH KELLYVILLE PUBLIC SCHOOL

D R E A M ◆ B E L I E V E ◆ S U C C E E D

IMPORTANT IN-TAKE ZONE UPDATE

Dear North Kellyville PS Community,

An intake area adjustment (boundary change) has been approved for North Kellyville Public School. The adjustment means that more students living within walking distance of the school will now be eligible to enrol. This aligns with our school's emphasis on students walking to school as highlighted in our Transport and Access Management Plan. The adjustment has been undertaken in consultation with the Principals of Ironbark Ridge and Beaumont Hills Public Schools.

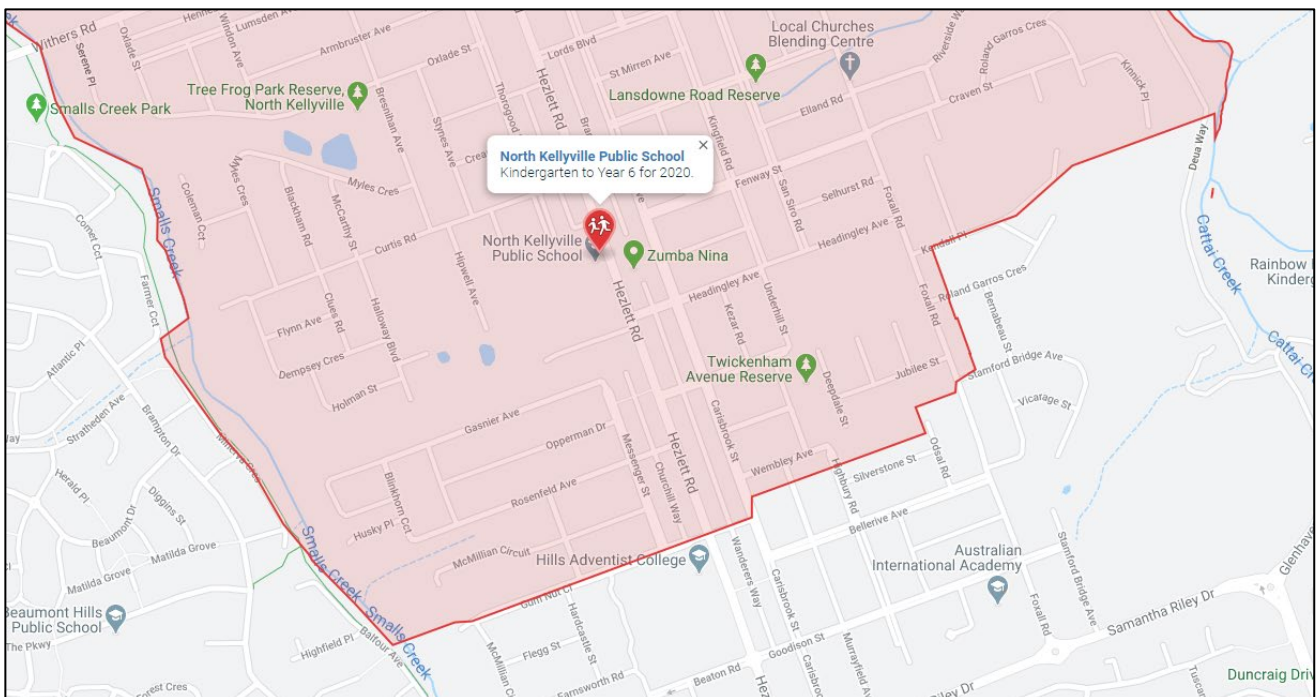

A small portion has been added to the North Kellyville Public School intake zone south of the school, with Gum Nut Close, Wembley Avenue and Foxall Road bordering the additional small pocket.

Pending non-local applications from families who reside in the additional pocket will now be considered in-area applications. Non-local applications from families outside the catchment zone, unless compelling circumstances are presented, will be directed to their local school.
