TERM 3 EXECUTIVE STRUCTURE

Dear parents/carers,

This week I have been advised that Mr Moth's secondment with School Infrastructure NSW will continue into Term 3 until recruitment actions for the position are completed.

Recently Mr Moth has spent increased time at school, engaging with some classes and reconnecting with staff. He advises that he is looking forward to returning.

The school's current executive structure will remain in place until further notice.

Sincerely,

Luke Hogan
Principal (Relieving)
