### Attendance Matters

## Why attendance matters

When your child misses school they miss important opportunities to...

Learn

Make friends

Build skills through fun

Education for your child is important and regular attendance at school is essential for your child to achieve their educational best. When your child attends school every day, learning becomes easier and your child will build and maintain friendships with other children.

Has your child been absent from school?

Here is how you can explain the absence:

- Login to the Sentral Parent Portal.

- Click on Absences.

- If using the App click on the plus button. If using the website click 'notify of an Absence'

Notify of an Absence

- Complete the required fields on the form.

- Click send.

Send

- If you are applying for leave longer than 7 days you must complete an extended leave form, provided by the office.

### The importance of arriving at school and class on time:

- ensures that students do not miss out on important learning activities scheduled early in the day
- helps students learn the importance of punctuality and routine
- give students time to greet their friends before class
- reduces classroom disruption
- lateness is recorded as a partial absence and must be explained by parents.

### What if my child has to be away from school?

On occasion, your child may need to be absent from school. Justified reasons for student absences may include

- being sick, or having an infectious disease
- having an unavoidable medical appointment
- being required to attend a recognised religious holiday
- exceptional or urgent family circumstance (e.g. attending a funeral).

### Coming late and leaving early

When your child is arriving or leaving outside of normal school hours, they need to be signed in and out from the front office. This is a legal requirement of the school. If you need to pick up your child early, please sign out at the front office with one of the office staff. They will call your child's teacher who will send them down with their belongings. If your child arrives late, please sign them in at the front office before sending them to their class.

**ALL absences from school need to be explained by letter, email or through the Sentral Parent Portal.**

If you are taking your child out of school for more than 5 days (Extended Leave) you must seek the principal's approval. A form can be collected from the office that outlines what you need to do.

### Canteen

Please ensure your child knows if they have a recess or lunch order so they can locate it quickly. You can access online ordering through FlexiSchools.

### Crunch & Sip®

Crunch&Sip® gives students the chance to eat vegetables or fruit, and drink water in the classroom. Please encourage your child to try a variety of fruit or vegetables to eat in the classroom which should come to school in a separate container, cut up and ready to eat. Try to avoid additional wastage by reusing the containers. Each student will also need a small bottle of water to drink throughout the day.

### Birthdays

If you wish to send something into school for your child's birthday, please send individually wrapped, store bought items. Students will take any treats home for parents to decide if they would like their child to eat them or not. Please also remember that North Kellyville has a 'Nut minimisation policy'.

### Lost Property

Lost property that is found around the school is easily returned to students if it is clearly labelled. There are lost property tubs that are located in the school and are where any lost items are taken. On a regular basis the lost property will be sorted and handed back to students where possible. It is the responsibility of the students to take care of their belongings.

### Updating your details

If you have moved address or have updated any of your contact details please make sure you let the school know. You can email your updated details to the school's email address or just pop in and see one of our friendly office staff.

### Homework across the school

#### Kindergarten

In general, students are not expected to complete formal homework in Kindergarten. Optional sound cards and activity ideas will be provided to give your child an opportunity to consolidate the sounds they are learning in class each week. Students are encouraged to access videos and activities through Aussie Decodables Online and Maths Online.

#### Stage 1

Students are encouraged to access their decodable readers texts through the Aussie Decodables Online platform and practise mathematical concepts learnt at school by using Maths Online. We further encourage students to read for enjoyment at home. The time spent on homework should not exceed 2 hours a week.

#### Stage 2

Should be varied where students may be expected to work more independently. Students could be encouraged to read using e-Platform and practise mathematical concepts learnt at school by using Maths Online. Other homework may also be set across areas of the curriculum. The time spent on homework should not exceed 2.5 hours a week.

#### Stage 3

Should be varied where students may be expected to work more independently. Students could be encouraged to read using e-Platform and practise mathematical concepts learnt at school by using Maths Online. Other homework may also be set across areas of the curriculum. The time spent on homework should not exceed 3 hours a week.
