NORTH KELLYVILLE CHESS TEAM

Dear Parents/Caregivers,

26 June, 2020

The NSW Junior Chess League will be starting in Term 3 and we are looking to enter teams from North Kellyville. The competition starts on **Friday 31 July** and runs weekly on Friday afternoons through Term 3.

The NSW Junior Chess League is a competition where teams of 4 students compete against other local schools from 3-5pm on Friday afternoons. Some fixtures will be home matches held at North Kellyville Public School in the Library, while other fixtures will be away matches held at the opposing teams' schools.

In order for students to participate, students will need to be driven by their own parent/caregiver. Those wishing to partake but cannot be transported by a parent/caregiver are welcome to organise transport with another participating student if all parties are willing.

Matches will start no later than 4pm and will conclude at 5pm. Students playing home matches at school will be able to be picked up from NKPS Library at 4.30pm.

Students who have transport available to them will receive preference when determining teams.

This activity has the approval of the principal.

Andrew Southwell
Chess Coordinator

Thomas Moth
Principal
