## SCHOOL BAND

### JOIN THE BAND!

Is your child interested in learning a musical instrument? NKPS are partnering with Teaching Services Australia to introduce a school band in 2020. The band is open to all students in year 3-6 next year. No prior experience needed!

Students were lucky enough to see a demonstration concert at school highlighting the different instruments available for tuition. At this time they also received a green school band Expression of Interest note providing introductory information.

What do you need to do? Carefully read the introductory information, then return the green Expression of Interest form to the school office **before Monday December 16.**

Your child will then be able try a variety of instruments with trained tutors, to help find the instrument to which they are best suited. The results of this instrument trial will be sent home with further enrolment information.

Learning an instrument in an ensemble is a great way to experience the social, educational and personal benefits that music and the arts have to offer! TSA provides a quality instrumental program with full band rehearsals, great value tuition and rent-to-buy instrument hire.
