Stage 1 Walking Science Excursion

Dear Parents/Carers,

This term students in Stage 1 are learning about 'Living World' in Science. To complement our learning at school we have planned a walking excursion to North Kellyville Park. On the excursion we will continue to investigate living and non-living things, create maps and look at ways we could improve the environment.

Where: North Kellyville Park, Oxlade Street, North Kellyville
When: Friday 15 November, 2019 (Note: This day may change depending on the weather)
Time: 9:00 – 11:00am
Travel: Walking
Cost: Free
Bring: Drink bottle, crunch 'n' sip, hat and clipboard

This activity has the approval of the principal.

Please return the permission slip below and return it as soon as possible to your child's class teacher.

If you are able to assist on the day and attend the excursion as additional supervision, please let your child's teacher know and they will contact you to confirm your attendance prior to the event.

Kind regards,

Mrs Newth, Miss Hook, Miss Anderson and Mrs Izzard
Stage 1 Teachers

Tom Moth
Principal
