PRINCIPAL'S NEWS

Staff Movement

Commencing next week I will be taking up a short term role within the Department of Education outside North Kellyville Public School. As Director The Ponds Strategy School Operational Readiness, I will be applying the experiences gained as principal of North Kellyville Public School to supporting other schools in Western Sydney. This role will continue into Term 4 but there is no finite end-date. In my absence, Luke Hogan will be the Principal of North Kellyville Public School and Stephen Bondfield will be the relieving Deputy Principal. I will remain heavily connected with the school and community, making sure I view student work via SeeSaw and comment from time to time!

Get Tested!

Parents are reminded that any student or staff member with cold or flu-like symptoms must stay home, be tested, return a negative result and be symptom-free before returning to school. Many thanks to the parents who have heeded this advice and been providing screenshots of text message results to our office and for supporting the effort to maintain community safety.

Let's Be Respectful Neighbours

In recent weeks I have received communication from neighbours letting me know that students have been walking through their gardens and playing on their front lawns on the way home from school. If your children walk home, I would appreciate your support in speaking to them about being respectful of others' property.

Uniform Fit-outs for New Students Including Kindergarten 2021

The school uniform supplier is Back to Basics Schoolwear. Ordinarily, representatives would attend orientation days to help parents make their uniform purchases but with restrictions on orientation programs at the moment this is unable to occur. Parents and carers are asked to make an appointment using the process outlined at the back of the newsletter if they would like to place an order.

Hezlett Road Construction

During the upcoming school holidays roadworks will commence on Hezlett Road. The upgrade of Hezlett Road will take between 12 and 18 months and will require all of us to think carefully about how we access the school. Pertinent points for North Kellyville Public School parents and students:

- The existing kiss and drop on Hezlett Road will be removed during the holidays and there will **be no kiss and drop facility on Hezlett Road during construction.**
- A **temporary kiss and drop facility will be installed on Hipwell Avenue** however capacity will be much lower than the current kiss and drop. Parents are advised to think carefully about whether kiss and drop is the safest form of drop off and pick up. Parents who must drive are asked to consider parking and walking into and out of the school.
- Pedestrian access via Hezlett Road will be maintained.

Please see the back of the newsletter for details of the road upgrade.

* NUT MINIMISATION *

Please support our young students who live with life-threatening allergies to nuts by refraining from sending your child to school with nut-based food products like Nutella or Peanut Butter.

SeeSaw Highlights

It's been another great fortnight witnessing quality student work on our SeeSaw application. Some samples are below...

Message from Teaching Services Australia

It's been a difficult year for our band students, but Teaching Services Australia has sent through a 'thank you' for those involved. See below and at the back of the newsletter.

CONGRATULATIONS!

As term 3 draws to a close TSA wishes to congratulate the amazing student musicians who have been 'keeping the music alive' at school during these crazy times.

Whilst we have not had the chance to showcase your wonderful talents on the stage, we want you all to know that you have blown us away with your resilience and creativity. *You should be very proud!*

A massive thankyou must also go to your teachers, parents and the whole school community who have helped support you through these times.

We look forward to seeing you all next term!

Lost Property

Lost property is placed outside the coloured entry gate near reception each morning. Once a week named items are returned to students if they haven't been collected sooner. At the end of the term un-named items are washed and added to the P&C's emerging second hand clothing pool. This message is to remind families that all un-named items will be re-purposed to the clothing pool next week. Please check lost property prior to this if you believe some of your child's items may be there.

Communication Protocols

Parents are reminded to try to adhere to [this communication flow chart](#) to ensure that enquiries are met in a timely manner by the most appropriate member of staff. If you cannot reach the relevant staff member, please email northkellyville-p.school@det.nsw.edu.au as this email address is monitored daily and your query will be forwarded as appropriate.

Enrolment for 2021 Including Kindergarten

Our administration team is currently accepting enrolment applications and supporting documentation for students commencing in 2021. If you are enrolling a sibling of a student currently at our school or any another NSW Department school please contact the office for a **pre-filled** application. Our school is adhering to the Department of Education enrolment policy for local and non-local enrolments. This process and information can be found on [our website](#). Please contact the office for further clarification if required. Future Kindergarten students should be enrolled prior to the end of August to ensure that we can communicate information about orientation programs.

Kindergarten Information Session Materials

Regrettably, we were unable to hold our face to face information sessions for future Kindergarten parents, however the following resources have been produced to support parents to learn more about our school and the process of enrolment.

TEACHER TALK

R U OK? Day

On Thursday 10 September, students and staff acknowledged mental wellbeing by supporting R U OK? Day. Students participated in engaging lessons that assists them in beginning essential conversations with their peers. It was great to see students dressed in yellow mufti clothes. A portion of the donations will be allocated to create a hamper to say thank you to the staff at the Hills Clinic who provide mental health care for our local community. The remainder of the donations will go directly to the R U OK? Day organisation.

Asking 'R U OK?' inspires and empowers everyone to meaningfully connect with the people around them and start a conversation with anyone who may be struggling with life. You don't need to be an expert to reach out - just a good friend and a great listener. It's not always easy to keep the conversation going when someone says they're not OK, but it could change a life. Use these four steps and have a conversation that could change a life:

Wonderful World of Wood Work in K-6B

The highlight of Term 3 for K-6B has been our class woodwork project. Starting with the essentials of health and safety, as well as protective equipment and protocols for handling specific tools, K-6B has taken on an exciting endeavour. First, we worked together to identify an area of the playground that we could find a solution for, and settled on creating a solid and durable cover for our sandpit. Slowly but surely, we observed, practised and each had a turn measuring wood, cutting it to size with a hand saw and mitre box, using a clamp and finally drilling our very own nail. Over following weeks we have become adept at using the various tools and techniques to complete the sturdily designed protective cover. It has been enjoyable, and all of us have learnt important, real-world skills in woodwork, as well as discovering some passionate carpenters-in-the-making! A fantastic way to see off a brilliant term of learning, discovery and teamwork.

Book Week

Children's Book Week will be celebrated during Week 2 of next term, as per the new dates for 2020. Students and staff are invited to come to school dressed up as a book character on Thursday 22nd October. We will also be hosting a virtual book fair via Carnival Book Fairs. More information regarding these events can be found further on in the newsletter.

Book Club

Issue 6 orders have been distributed to classes. If your child has not brought theirs home yet, please ask them to check with their home class teacher. PLEASE REMEMBER... all orders must be placed using Scholastic's LOOP system – this can be done online or via the app. **NO cash orders can be accepted.** Instructions on how to do this can always be found at the end of the brochure. Dear Parents,

Cowan & Lewis look forward to joining with you on the next phase of your child's journey through their school life.

The purchasing of your child's school uniform will be a little different this year due to the COVID 19 pandemic and ensuring we are adherent to the mandatory social distancing restrictions of 1 person per 4 square meters. Our retail store located at 52 Cox Avenue, Kingswood, 2747 will be accessible by appointment ONLY from the 13th October through to the 22nd December.

Cowan & Lewis are very mindful of the inconvenience this may cause with restricted accessibility whilst avoiding unnecessary queuing and delays and ensure the safety of our Staff, Parents and students.

We would encourage all new students entering Kindergarten to be outfitted prior to the end of the year to ensure they are catered for before the new school year

Appointments can be made on the Cowan & Lewis website www.cowanlewis.com.au. Locate your schools crest, click on the booking link and select the appropriate day and time.

- Each appointment will have a 20 minute duration.
- 1 Adult and 1 Child per booking
- For each additional sibling a booking will be required
- We ask that you arrive 10 minutes prior to your appointment
- If you arrive more than 5 minutes late to your appointment we will unfortunately ask that another time be made to ensure the next appointment is not delayed

Alternatively online orders can be made and delivered to school twice a week on Tuesdays and Thursday during the school term. Exchanges can be arranged back through the school office by contacting Cowan & Lewis or leaving an exchange form in the bag to be collected, the exchange form can be located on the Cowan & Lewis website on your school's page.

We thank you for your understanding and cooperation as we work through this challenging time and look forward to welcoming you to our store. Please feel free to contact our staff via email northkellyville@cowanlewis.com.au or phone 47217422 should you require any further information.

* NUT MINIMISATION *

Please support our young students who live with life-threatening
allergies to nuts by refraining from sending your child to school with
nut-based food products like Nutella or Peanut Butter.

CONGRATULATIONS!

As term 3 draws to a close TSA wishes to congratulate the amazing student musicians who have been 'keeping the music alive' at school during these crazy times.

Whilst we have not had the chance to showcase your wonderful talents on the stage, we want you all to know that you have blown us away with your resilience and creativity. *You should be very proud!*

A massive thankyou must also go to your teachers, parents and the whole school community who have helped support you through these times.

We look forward to seeing you all next term!
