Hezlett Happenings ~ 16 October 2020

PRINCIPAL'S NEWS

Welcome Back

Term 4 is off and running and it has been great to get out in the playground and amongst the classes this week to see how settled our students have been after returning from holidays. We welcomed quite a few new students into our school this week and it is always a pleasure to see how warmly they are greeted by our existing students. We are still operating under Covid restrictions and as always, we thank you for your support in following the guidelines to ensure the health and wellbeing of our community. The good news is some of the restrictions have been eased and our Kindergarten Orientation program for 2021 and our Year 6 farewell can proceed. These events will look slightly different to how they have run previously. The staff here at North Kellyville are busy planning these events and more information will be provided as it becomes available.

Road Works

As we are all aware the road works on Hezlett Road began over the holidays. This is a significant construction project but a much needed one. Thank you for being patient and adjusting your drop off and pick up routines where required. Student safety continues to be our number one priority and all teachers spent time discussing road safety with the students this week. This will remain a focus area while the road works continue. Please continue to be polite and make safe choices on the roads to ensure everyone's safety.

Key points to remember:

- **No kiss and drop facility on Hezlett Road during construction.**
- **A temporary kiss and drop facility will be installed on Hipwell Avenue** however capacity will be much lower than the current kiss and drop. Parents are advised to think

carefully about whether kiss and drop is the safest form of drop off and pick up. Parents who must drive are asked to consider parking and walking into and out of the school.

- Pedestrian access via Hezlett Road will be maintained.

NKPS Travel Guide

In conjunction with urban planning specialists and as a requirement of the school's development approval, a Green School Travel Plan has been developed for North Kellyville Public School. This guide is attached further in the newsletter. Please consider some of these options when dropping off or picking up your child from school.

2021-2024 Strategic Improvement Plan

The school's leadership team is currently performing a situational analysis which explores school performance across a number of areas and considers resources and priority improvement areas. The situational analysis will be used to form the basis of a new four-year Strategic Improvement Plan (2021-2024). On Wednesday 28 October, at 6:30pm, the school leadership team will run a consultation session with parents, via Zoom. During the session the situational analysis will be shared and opportunities for discussion will occur. The aim of the meeting is not to plan in detail, but to have high level, broad consultation about strategic directions that we might commit to over the next planning phase. The P&C meeting will follow.

Please join us on Zoom on 28/10 at 6:30pm.

Selective High School – 2022 Change of Dates

All students in year 5 received an "intention to apply" form at the end of last term which is required to be filled out and returned to school if the student is wishing to apply for entry into selective high school in 2022. This form is not an application.

* NUT MINIMISATION *

Please support our young students who live with life-threatening allergies to nuts by refraining from sending your child to school with nut-based food products like Nutella or Peanut Butter.

120-126 Hezlett Road, North Kellyville NSW 2155

northkellyville-p.school@det.nsw.edu.au

<https://northkellyville-p.schools.nsw.gov.au>

8801 1911

Applications for Year 7 entry to selective high schools in 2022 **will be accepted from Tuesday 13 October 2020 to Monday 16 November 2020.**

Parents must apply online at <https://education.nsw.gov.au/public-schools/selective-high-schools-and-opportunity-classes/year-7>

All applicants are required to sit the Selective High School Placement Test to be held on Thursday 11 March 2021.

2020 Learning Model – Parent Focus Group

As part of our ongoing commitment to reviewing and refining our practice we are looking for some interested parents who are able to spare some time to be a part of an open discussion around our 2020 Learning Model.

The focus group will consist of a selected group of parents and will be held on a Tuesday during school hours for up to an hour. If you are available and wish to be considered for this group please click [here](#) and complete the short form. It is important we have a cross section of parents with differing views and perspectives. The Learning Model will be the only topic of discussion and you will be notified if you are invited to come along.

Please do not be discouraged if not selected on this occasion, community consultation is an important aspect of our school and there will be opportunities in the future to participate in similar sessions. All parents will have an opportunity to complete a survey on our 2020 Learning Model later in the term.

School Travel – 2021 applications

Applications for student travel in 2021 opened on Monday 12 October 2020. Students who require a School Opal card or travel pass for 2021 can now [apply](#) online. A new application should be submitted if a student is applying for a school travel pass for the first time or requesting an additional pass as a result of a new shared parental responsibility situation (e.g. joint custody).

Please go to the [school travel passes](#) at Transport NSW for more information.

Shade Sails

Over the holidays our new shade sails over the mulch area at the North Eastern corner of the school and at the back gate were completed. These shade sails look fantastic and are an excellent addition to our school to provide some much-needed shade especially as the Summer approaches. Thank you once again to our hardworking P&C who were able to secure a grant to fund this project.

Get Tested!

Parents are reminded that any student or staff member with cold or flu-like symptoms must stay home, be tested, return a negative result and be symptom-free before returning to school. Many thanks to the parents who have heeded this advice and been providing screenshots of text message results to our office and for supporting the effort to maintain community safety. [See latest COVID-19 health alerts here.](#)

2021 Kindergarten Orientation – New Dates

We are excited to announce that our Kindergarten Orientation program will be going ahead this term! We have received new guidelines allowing the event to take place, although it will look a little different to the original plan and there are a few procedures that we have to adhere to, in order to ensure the health and safety of all.

Things that will remain the same:

- Three orientation sessions taking place in
Week 5 Term 4 – Mon 9 Nov/Wed 11 Nov
Week 6 Term 4 - Mon 16 Nov /Wed 18 Nov
Week 7 Term 4 – Mon 23 Nov/Wed 25 Nov
- Children engage in social play and school readiness activities with peers and teachers
- All children attending orientation must have completed an enrolment form

Things that will be different:

- We will have four separate groups running on different days and times
- The session times will be as follows:
 - o Monday 9:30-10:30
 - o Monday 11:45-12:45
 - o Wednesday 9:30-10:30
 - o Wednesday 11:45-12:45

Note: The school will allocate you to a session. You will remain in the same group for the three weeks.

- Parents are unable to accompany children to the classrooms
- Parents are unable to attend information sessions on school grounds

If you have submitted your enrolment forms to the school, you will receive an email by Friday 23 October which will advise you of your session dates and times, as well as any other detailed information you will need. If you are yet to enrol, please contact our office to do so as soon as possible.

If you have any queries, please do not hesitate to contact the school.

Courtney Johnston

Assistant Principal – Kindergarten

Enrolment for 2021 including Kindergarten

Our administration team is currently accepting enrolment applications and supporting documentation for students commencing in 2021. If you are enrolling a sibling of a student currently at our school or any another NSW Department school please contact the office for a **pre-filled** application. Our school is adhering to the Department of Education enrolment policy for local and non-local enrolments. This process and information can be found on [our website](#). Please contact the office for further clarification if required.

Future Kindergarten students should be enrolled prior to the end of August to ensure that we can communicate information about orientation programs.

EFTPOS

Eftpos is now available at the school office. Payments can be made at the school office using this facility between 8:45am and 3pm daily.

SeeSaw Highlights

It's been another great fortnight witnessing quality student work on our SeeSaw application. Some samples are below...

30 Degrees you know what that means!!!!!! Super Duper water play day extravaganza 🙌

“What’s up” in Support!

Term 4 is off to a great start in K6A, B and C. We have loved getting back into the swing of things; literally! This week, we were finally able to enjoy the fruits of our labor and harvest our bountiful crop of carrots. Planted late Term 2, we've watched as our crop of lettuce shoot skyward, and kept a watchful eye on the carrots. Poking out of the soil, we each had the chance this week to yank a delicious, fresh carrot to take home and share with our families, as well as a huge head of lettuce. We've also enjoyed the variety of challenging, rotating activities at SISA each week, practising our skills with our friends and teachers. Another highlight this week has been the opportunity to haul out the water play and cool off after a big day of learning. We're all anticipating a long, hot summer!

Our vegie patch is alive, green and healthy!

Stage 1 using descriptive words to convey emotions

Project Based Learning in Kindergarten

This term, Kindergarten will be learning about personal and family histories. We will be exploring the question: **How can I share and tell stories of my family's past?** Students will be engaged in a series of inquiry experiences and will construct a 'memory box' with a range of artefacts that are both made at school and brought in from home.

To assist students in completing their project we are asking for the following items to be donated:

- A shoe box or similar box
- A family photo
- Something that represents your family's culture (Flag, symbol, postcard etc)
- Reusable items for craft, such as magazines, cardboard, wrapping paper, cellophane, coloured straws, clean bottle caps etc

When selecting items to send to school, please consider that they will be at school for the duration of the term and students will be engaged in a range of craft and construction activities to produce artefacts to add to their memory box. **Please do not send any precious items that cannot be replaced.**

Please send the items by Wednesday 21 October 2020. If you have any questions, please feel free to discuss them with your child's Blue Hub teacher.

Miss Cannon, Mrs Cremona, Miss Pettenon, Miss Cooper and Miss Sherlock
Kindergarten Blue Hub Teachers

SRC Update – Movie Day

Throughout Term 3, the SRC has responded with commitment and dedication to some changing arrangements in an eventful year. Despite the challenges, our SRC representatives have brainstormed ways to share their ideas to continually contribute and lead in our school community.

After a full term of voting and some outstanding promotional material produced by our student cohort, the results are in! Students voted overwhelmingly for a Movie Day, which will occur on Thursday Week 2 to complement our Book Week Extravaganza! After a fantastic Book Week assembly, celebrating 'Curious Creatures, Wild Minds,' we'll all participate in a COVID-safe Simultaneous Movie Day Spectacular! Please see the attached poster for more information. As part of the reward, students will receive some popcorn to enjoy while they watch.

*** NUT MINIMISATION ***

Please support our young students who live with life-threatening allergies to nuts by refraining from sending your child to school with nut-based food products like Nutella or Peanut Butter.

Movie

Date: Thursday 22 October 2020

Time: 12:30pm

Where: Your Classroom Cinema

Bonus: A bag of popcorn for each student

Thank you so much to the amazing students of NKPS for their continual great behaviour and following the core school values.

BE RESPECTFUL BE RESPONSIBLE

BE RESILIENT DREAM BIG

As part of the core value token system the most voted for activity was Movie Day.

In further exciting news, the options for a Term 4 Token Reward are ready to be announced! Lucky recipients of the tokens that represent our school's four core values; Be Respectful, Be Responsible, Be Resilient and Dream Big; will be able to cast their vote to determine the next winning whole-school activity.

The options are:

1. Crazy Hair Day
2. Wacky Sock Day
3. Aloha Hawaii Mufti Day

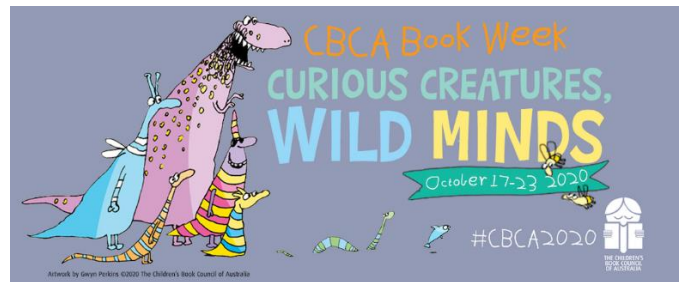

Stay tuned for the publication of the winning posters from our SRC poster competition in the next Hezlett Happenings, as well as announcement of the SRC's Term 4 charitable project. Remember to demonstrate these values every day, and of course, let's get voting!

P&C News

P&C Newsletter

Our next P&C meeting will be held in Term 4 Week 3, on Wednesday 28 October 2020 commencing at 7.30pm. The meeting will again be held via ZOOM – please use [this link](#) to access the meeting (meeting code is 868283). We hope to see lots of parents join in to share their ideas with the P&C members!

The meeting will be held straight after a School Briefing from Mr Hogan. Details of this briefing are noted in the earlier sections of this newsletter.

The P&C is proud to support a fundraiser in the form of Christmas Cookies. Abbeyvale Cookies is a small business based in North Kellyville, and Abbey is teaming up with the P&C to bring you a most delectable Christmas gift option – COOKIES! The order form is at the end of the newsletter – please use this form to order your treats for delivery by 10 December 2020. For more information, please contact Abbeyvale Cookies directly (<https://abbeyvalecookies.square.site/>).

We will have more exciting fundraising events to announce shortly. Stay tuned.

Gloria Hill
NKPS P&C President

QUICK INFORMATION

North Kellyville Public School

Travel Guide

A guide on how to get to school for students during Hezlett Road works

Hezlett Road Upgrade

The upgrade of Hezlett Road will take between 12 and 18 months and has commenced during the Spring School Holidays. It requires us to think carefully about how we access the school. Pertinent points for North Kellyville Public School, include:

- The existing kiss and drop on Hezlett Road has been removed during the holidays and there will be no kiss and drop facility on Hezlett Road during construction (see info on right for more on the Temporary Kiss and Drop).
- Pedestrian access via Hezlett Road will be maintained. See map on reverse for location of pedestrian crossings during construction and suggested walking routes to school.

Kiss-and-Drop

A **temporary kiss and drop facility will be installed on Hipwell Avenue** however capacity will be much lower than the current kiss and drop. Parents are advised to think carefully about whether kiss and drop is the safest form of drop off and pick up. Parents who must drive are asked to consider parking a few blocks away and walking into and out of the school.

Park-and -Walk

Park-and-walk is a great alternative to using the Kiss-and-Drop. Choose a location a few blocks away from school and walk the rest of the way. This will enable students to stretch their legs and contribute to the recommended 60 minutes per day of physical activity advised by the Australian Government.

Bus

Did you know that the NSW Government offers free bus travel to and from home and the North Kellyville Public School by bus? To be eligible students have to live a minimum distance from school, as follows:

- Years K to 2: no minimum distance; and
- Years 3 to 6: 1.6 kilometres straight line distance or 2.3 kilometres walking or further.

It's estimated that more than 70% of North Kellyville Public School students are eligible. Visit: www.service.nsw.gov.au/transaction/apply-school-travel-pass to apply.

There are several bus options available:

- Route 615X:
 - Arrives at school at 8:33 AM
- Route 601:
 - Arrives at school at 8:34 AM and 8:49 AM
 - Departs school at 3:04 and 3:25 PM
- School Bus Routes:
 - Arrives at school at 8:20 AM (Route 2099)
 - Departs school at 3:18 PM (Route 2533)

See the map on the reverse of this flyer for more information or visit: www.transportnsw.info/trip

COVID- 19

Wanting to maintain social distancing? We encourage you to avoid driving to school. Students who are driven have to wait in a pick-up area where it is difficult to maintain social distancing.

Where possible, please consider alternatives such as walking, cycling and scooting. Bus use can also be managed with bus companies limiting capacity on vehicles. If using the bus please consider using a face mask and practice good hand hygiene.

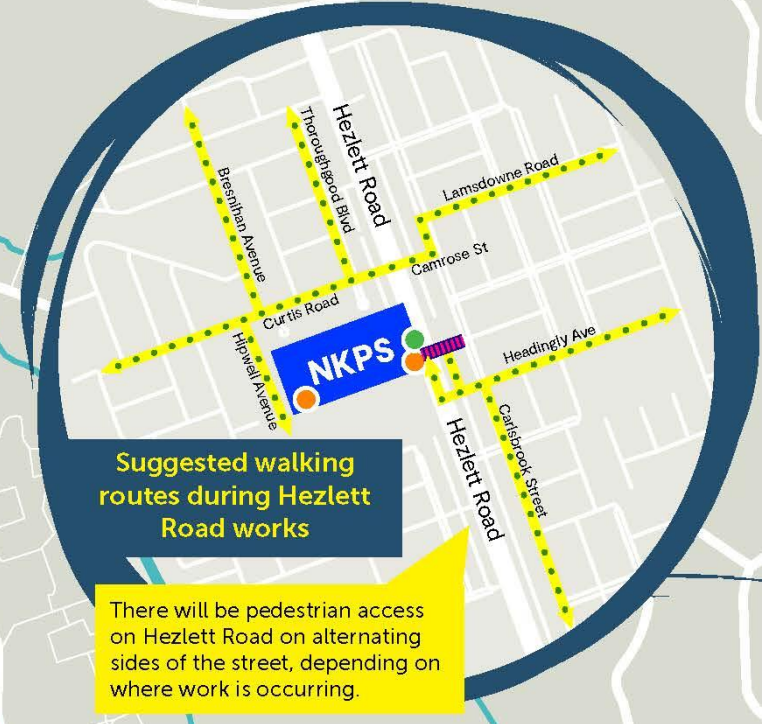

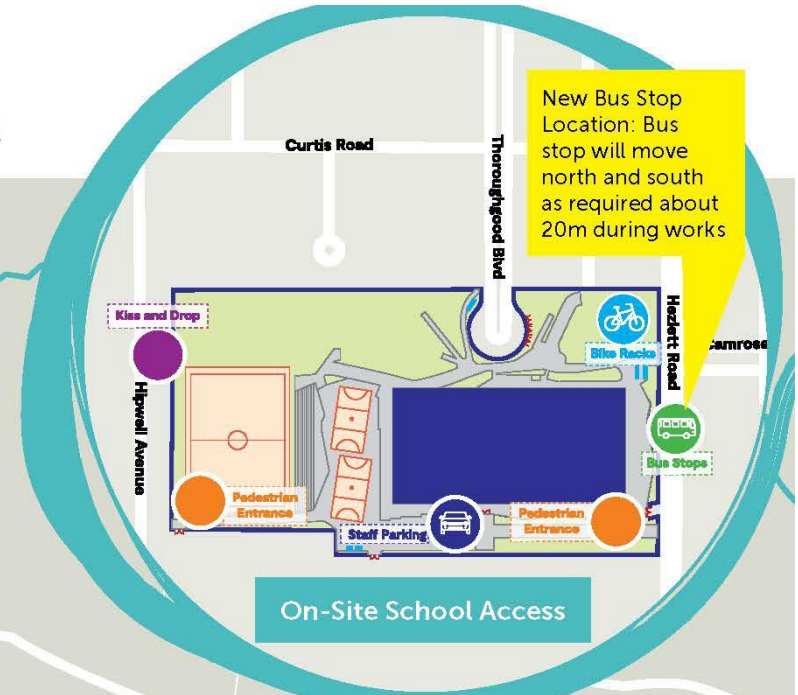

For more advice on Covid-19 and safe public transport use visit: www.transportnsw.info/covid-19

Need a new bike?
