## School Organisation and Reminders

### School Hours

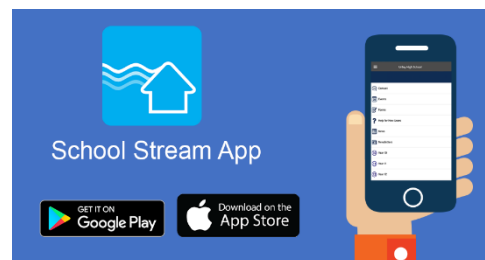

Session/Break	K-2	3-6
Before School	8:30 – 9:00am	8:30 – 9:00am
Morning Session	9:00 – 10:40am	9:00 – 11:15am
Recess	10:40 – 11:10am	11:15 – 11:45am
Middle Session	11:10 – 12:40pm	11:30 – 1:15pm
Eating Time	12:40 – 12:55pm	1:15 – 1:30pm
Lunch	12:55 – 1:25pm	1:30 – 2:00pm
Afternoon Session	1:25 – 2:45pm	2:00 – 3:00pm

### School Stream

If you haven't downloaded the school app then please do so. It will enable you to:

- give permission for your child to attend excursions.
- send absence emails; and
- receive important communications from the school.

Notifications are sent to your phone when information is distributed from the school.

### Coming late and leaving early

When your child is arriving or leaving outside of normal school hours, they need to be signed in and out from the front office. This is a legal requirement of the school. If you need to pick up your child early, please sign out at the front office with one of the office staff. They will call your child's teacher who will send them down with their belongings. If your child arrives late, please sign them in at the front office before sending them to their class.

**ALL absences from school need to be explained by letter, email or School Stream message when your child returns.**

If your child is away from school and no note has been sent after a period of a week, the classroom teacher will send home a document asking you to fill in the details of the absence. Please assist us by filling this in promptly and returning to your classroom teacher, for us to keep in our records. If you are taking your child out of school for more than 5 days (Extended Leave) you must seek the principal's approval. A form can be collected from the office that outlines what you need to do.

## Term 2 Overview 2022

### Canteen

Ordering of recess and lunch can be completed online through [FlexiSchools](#). Please ensure your child knows if they have a recess or lunch order.

### Crunch&Sip®

The [Crunch&Sip®](#) program aims to promote increased consumption of fresh vegetables and fruit and the choice of water as a drink. Please encourage your child to bring a variety of fruit or salad vegetables to eat, each day, which should come to school in a separate, reusable container, cut up and ready to eat. They will also need a bottle of water to drink throughout the day.

### Birthdays

We love to celebrate birthdays at North Kellyville Public School! If you wish to bring something into school for your child's birthday, please bring along individually wrapped store bought items. Students will take any treats home for parents to decide if they would like their child to eat them or not. Please also remember that our school has a 'Nut Minimisation' policy.

### Lost Property

Lost property found around the school is easily returned if it is clearly labelled. Lost property tubs are located in an easily accessible place for students. They are regularly sorted and redistributed to students where possible. It is the responsibility of the students to take care of their belongings.

### Homework

#### Kindergarten

In general, students are not expected to complete formal homework in Kindergarten. Students may be given books to read at home, as appropriate. Additional tasks may be assigned which are related to work completed in the class, however the development of reading skills remains the priority.

#### Stage 1

Some formal homework may be set. Students might be asked to read and write and complete some mathematical activities. The time spent on homework should not exceed 2 hours a week.

#### Stage 2

Students could be encouraged to practise mathematical concepts learnt at school and spend time reading for pleasure. Other homework may also be set across areas of the curriculum. The time spent on homework should not exceed 2.5 hours a week.

#### Stage 3

Students could be encouraged to practise mathematical concepts learnt at school and spend time reading for pleasure. Other homework may also be set across areas of the curriculum. The time spent on homework should not exceed 3 hours a week.
